

Put your title here using lowercase letters

Author's Initials and Surname¹, Co-author's Initials and Surname²

¹Affiliation, Address, the corresponding author should be identified with superscript * and phone, and E-mail address are given. ²Full postal addresses must also be given for all co-authors if different from first author.

***Email:** type corresponding author/contact person's email address (= person who will present the work)

Type of Presentation. *POSTER* or *ORAL*

Abstract. Type your abstract here. For a new paragraph, do not tab over or indent, just hit the Enter key. Your abstract should include a problem statement, objectives, brief methodology, quantitative results, and the significance of the results.

The abstract is often the only part of the paper to be read, so include your major findings in a useful and concise manner. The abstract should be no more than 250 – 300 words long.

Keywords: Type 4-6 keywords or key phrases, separated by commas. List both specific and general terms that will aid in searches.

Abstract deadline: Abstracts must be emailed to Dr Alana Den Breeyen at DenBreeyenA@arc.agric.za on or before **31st August 2018**.
